

STARRED THESPIANS

Age People Meet Fiery Nemesis in Chicago.

UGHT IN BLAZING HOTEL

Early 200 Theatrical Members Have Close Call.

and Palace Hotel Takes Fire in the Early Morning, and Inmates Have Narrow Escapes.

Chicago, Jan. 20.—The fortune of Chicago theatrical people during the last few weeks again in evidence at a fire in the and Palace hotel, Indiana and Clark streets, early today, nearly 200 members of theatrical troupes being driven into the streets by the flames. It was with difficulty that a panic was averted and the theatermen and women assisted from the structure in safety.

The fire originated on the second floor, possibly from crossed electrical wires, and was carried quickly up the elevator shaft by a draught to the top floor. Joseph Northrop, a guest, saw the smoke and notified the night clerk, who immediately started awakening the guests. Northrop started into the elevator, ran upward through the smoke and flames and roused the guests on the top floor. The halls were soon filled with excited men and women. The cooler guests were called to follow them back from the stairs and fire escapes toward which a number of women were jumping from the windows. Miss Louise Mitchell, who had been in the building, was rescued by the firemen and taken down a fire escape. A few of the guests had time to dress. The fire was extinguished quickly after the damage to the structure was done. This is the second fire in the building in the last two weeks. Almost all the guests in the hotel are members of theatrical troupes stranded in Chicago.

FORMED DEATH TRAP.

Electric Third Rail on a Chicago Electric Line Endangers Many Lives.

Chicago, Jan. 20.—As the result of a fault on the South branch of the elevated railroad was paralyzed for nearly two hours today, endangering the lives and discommodating thousands of passengers.

While working the wood superstructure of the road caused the moisture to communicate to a defective third rail support near a network of switches. A electric current descended the car tracks and flowed through the iron of the structure to the ground. The entire structure or a considerable distance was electrified and men below the current was shut off at the power house.

Trains on the road were crowded, passengers on the stalled trains, after waiting for some time for signs of life, the motors, took surface lines and reached their work after long delay.

HE LOVED CHILDREN.

Thousands of Little Ones Will Pay Tribute to Memory of the Late George Francis Train.

New York, Jan. 20.—The body of George Francis Train, who died early yesterday, has been removed from Mills street to a mortuary chapel, where it will lie in state until the funeral hour tomorrow. Thousands of children, in whom Mr. Train displayed remarkable interest, are expected to take a farewell view of the remains. The funeral will be private and the interment will be in Greenwood cemetery.

Of his once considerable fortune Mr. Train retained nothing personally except the interest he had in 3000 lots he owned in Omaha. Protracted litigation has taken place about them and it is said, he continued by his daughter.

CIGARETTES CRAZE.

Chicago Woman Smoked a Package of Poison a Day, and Is Now in an Asylum.

Chicago, Jan. 20.—Miss Fannie McAbb, said to be a victim of the cigarette habit, has been adjudged insane by Judge Carter. She is 32 years old and evidence was introduced to show that she had smoked a package of cigarettes every day for years.

Two years ago she was treated at a sanitarium and was supposed to have been cured, but the habit regained its hold on her. She was ordered sent to a Kankakee asylum.

GERMANY AT ST. LOUIS.

and Some Appropriation for Displaying of Exhibits at the World's Fair.

Berlin, Jan. 20.—The budget committee of the Reichstag today approved the additional appropriation of \$3,500 for the German exhibit at the St. Louis exposition, making a total of \$15,000. The German Finance Minister included \$40,000 more for the exhibit of Prussia at St. Louis, or a total of \$155,000 to the Reichstag. The German Finance Minister today submitted to the Diet the German appropriation for the exposition. The appropriation will be generally broadened out to include the representation of the German Empire.

MINE-WORKERS' CONGRESS.

Scale Committee Will Recommend That Demand Be Made for 10 Per Cent Increase.

Indianapolis, Ind., Jan. 20.—At the opening of the United Mine-Workers' convention today resolutions offered by delegates were read.

The miners' scale committee, which will formulate the demands of the miners of Indiana, Ohio, Illinois and Western Pennsylvania has elected Thomas Reynolds of Illinois chairman and resolutions are that a demand will be made for a horizontal increase in wages of 10 per cent in the central competitive district. The Leavenworth (Kan.) local introduced a resolution so strong that it was received as a joke. It provides for miners owning coal mines, railroads, forming a political party with the Union label under the emblem, and other features of a like kind. It was laughed down. The credentials committee announced that it would not be able to report today, and the convention adjourned until tomorrow.

FROM BLACK TO WHITE.

Chemistry Class of California University Will Experiment on a Negro With Radium.

San Francisco, Jan. 20.—A series of experiments with radium starting in their scope have been undertaken at the University of California. The properties of the new mineral will be fully investigated and an attempt will probably be made to turn the skin of a negro white. The tests have been undertaken by Robert A. Hoar, a senior in the college of chemistry, under the direction of professors in his department. The X-ray is to be used in conjunction with the radium, and the experiments are the effect of the combined rays of the two on the coloring cells of the body both in the hand and the skin will be determined if possible.

WORK OF FIRE BUGS.

Courthouse and Jail in New Colorado County Burns—All the Records Destroyed.

Brighton, Col., Jan. 20.—The Adams county courthouse and jail burned to the ground today. The actual loss is nearly \$30,000, and owing to the fact that the assessment rolls were burned up, an additional loss of \$50,000 may be sustained by the county, as it is not determined whether or not it is constitutional to make another assessment list after one has been fully approved. All the records of the county were lost. The new county jail in the rear of the courthouse building had just been completed. The fire is believed to have been of incendiary origin. Adams county was formed a year ago by the division of Arapahoe county, which includes Denver.

BOY AND DOG BEHEADED.

Mad Mother in a Little New Jersey Town Slays Her Son and His Pet.

Pateron, N. J., Jan. 20.—Mrs. Arthur Oswald was arrested today on the charge of murdering her six-year-old son at her home in Oakland. She is believed to be insane.

The tragedy was discovered by the woman's husband when he returned home late last night. As he entered the dining room he was horrified to see the headless body of his six-year-old son lying on the floor. The head lay near the body. Near by lay the body of his pet dog, which also had been beheaded.

Oswald found his wife lying in bed with her young baby in her arms. She was singing softly to the infant. Near the bed her two other children lay sleeping in a crib.

The woman did not recognize her husband nor seem to understand what was said to her.

"HACKIES" DROP REINS.

Eight Hundred Carriage Drivers in St. Louis Strike for Increase and Recognition of Union.

St. Louis, Jan. 20.—Pursuant to an order issued at a meeting held late last night by the International Brotherhood of Teamsters, 800 hack and carriage drivers went on a strike today to enforce their demands for \$12.50 per week pay, a twelve-hour day, 45 cent an hour for overtime and recognition of the union. A small proportion of this number are men working in East St. Louis.

The strike is directed against the St. Louis Liverymen and Undertakers' association.

MUST STAY IN BULL-PEN

Futile Appeal Colorado Mine Striker to U. S. Court.

MILITARY RULE IS UPHOLD

Federal Court at Denver Will Not Interfere.

Habeas Corpus Case of Sherman Parker Dismissed by Judge Hallett—Remarks by the Court.

Denver, Jan. 20.—Judge Moses Hallett in the United States District court today after consideration of the Sherman Parker habeas corpus suit against the military authorities of Colorado, announced that his court is without jurisdiction in the matter. Parker is a union miner of Cripple Creek who is held in the military "bull-pen" without warrant.

In his opinion Judge Hallett says: "In times of turbulence and when there is a probability of violence, discretion may be exercised on the part of the authorities in holding prisoners without bail and hold them in custody until reasonable investigation has been made. The Governor, as the executive of the State, is authorized and required to enforce the law and, if in doing so, he finds it necessary to call out the militia and use the powers of the State he should do so. The matter of how the State should enforce the law is not for the Federal Government to state. The Supreme court of the United States has decided that when the authorities of a State are engaged in the execution of the laws of the State the courts of the United States have no authority to set them aside."

Judge Hallett cited a number of cases in which, he said, this rule was set forth. In concluding his opinion Judge Hallett says: "The people of the State are to be congratulated in having a Governor who will enforce the law. The court will not interfere with him in the execution of his duties."

Denver, Jan. 20.—A special to the Republican from Cripple Creek, Colo., says that Sherman Parker, the union man whose application for a habeas corpus writ was denied today by Judge Hallett of the Federal court in Denver, was this evening turned over to the civil authorities and released on bond. The charges against him were assault and aiding a fugitive from justice. Justice of the Peace Harrington, before whom he appeared, fixed his bond at \$500, which was immediately given and the prisoner was released.

MRS. COL. GRESHAM WAS GIVEN UP BY THE DOCTORS

PE - RU - NA SAVED HER LIFE.

It Was Catarrh of the Lungs, so Common in the Winter Months.

MISS JENNIE DRISCOLL

Miss Jennie Driscoll, 510 Putnam ave., Brooklyn, N. Y., writes:

"If people know how efficient Peruna was in the cure of catarrh, they would not hesitate to try it. I have all the faith in the world in it as it cured me, and I have never known of a case when the person was not cured in a short time."—Jennie Driscoll.

Mrs. Col. E. J. Gresham, Treasurer Daughters of the Confederacy and President Herndon Village Improvement Society, writes the following letter from Herndon, Fairfax county, Va.:

The Peruna Medicine Co., Columbus, O. Gentlemen:—"I cannot speak too highly of the value of Peruna. I believe that I owe my life to its wonderful merits. I suffered with catarrh of the head and lungs in its worst form, until the doctors fairly gave me up, and I despaired of ever getting well again."

"I noticed your advertisement and the splendid testimonials given by the people who had been cured by Peruna, and determined to try a bottle. I felt but little better, but used a second and third bottle and kept on improving slowly."

"It took six bottles to cure me, but they were worth a King's ransom to me. I talk Peruna to all my friends and am a true believer in its worth."—Mrs. Col. E. J. Gresham.

A PLAIN TALK

On a Plain Subject in Plain Language

The coming winter will cause at least one-half of the women to have catarrh, colds, coughs, pneumonia or consumption. Thousands of women will lose their lives and tens of thousands will acquire some chronic ailment from which they will never recover. Unless you take the necessary precautions, the chances are that you (who

read this) will be one of the unfortunate ones. Little or no risk need be run if Peruna is kept in the house and at the first appearance of any symptom of catarrh taken as directed on the bottle. Peruna is a safeguard, is a preventative, a specific, is a cure for all cases of catarrh acute and chronic, coughs, colds, consumption, etc.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
